Contact details of a person responsible for supervising the processing of personal data: dpo8@proenergy.sk

1. The purpose of the processing of personal data and legal basis of the processing

The purpose of the processing of personal data is performing marketing activities (news, discounts and other marketing offers) related to purchased or procured services or goods.

Personal data shall be processed in accordance with the legitimate interest of the Controller pursuant to Section 13, Par. 1(f) of the Act, Section 6, Par. 1(f) of the Regulation.

Legitimate interests of the Controller or a third party

The processing of personal data is performed for the legitimate interests of the Controller or a third party – to perform marketing activities.

2. Identification of the data subjects' personal data processed

Data subjects whose personal data are processed are: customers.

The scope of personal data processed: name, surname, e-mail address.

3. Identification of recipients, categories of recipients

The Controller may provide personal data to authorised entities such as institutions and organisations that are allowed to process personal data according to a special legal regulation, or contractual parties (especially intermediaries) who have contractually agreed to accept reasonable guarantees of maintaining the protection of personal data processing as follows:

Another authorized entity	generally binding legal regulation pursuant to Section 13, Par. 1 (c) of Act no. 18/2018 Coll. on Personal Data Protection and amendment and supplementation of certain acts
---------------------------	--

With the consent of a data subject or at his / her command, personal data may be provided to other recipients.

4. Transfer of personal data to a third country / international organisations

Transfer to third countries or international organisations is not performed.

5. Identification of the source from which the personal data was obtained

Directly from a data subject (by e-mail).

6. Personal data retention

The Controller processes personal data for the time necessary to fulfil the purpose, but not later than one year after the end of the calendar year in which the purpose of processing ended.

7. Profiling

The Controller does not process personal data by profiling or in a similar way based on automated individual decision-making.

8. Rights of the data subject

Any data subject has the right to obtain from the Controller access to personal data concerning him or her; the right to have his or her data corrected, deleted or restricted; the right to object to the processing of personal; the right to ineffectiveness of automated individual decision-making, including profiling; the right to the transfer of personal data as well as the right to lodge a complaint with a supervisory authority. In the event that the Controller processes personal data with the consent of the data subject, the data subject has the right to withdraw his or her consent to the processing of personal data at any time. Withdrawal of consent shall not affect the lawfulness of the processing of personal data based on consent before its withdrawal. The data subject can exercise his or her rights by sending an email to lukas.kruzliak@tfs.sk or in writing to the Controller's address.

9. Obligation to provide personal data

The data subject provides his / her personal data voluntarily, while his / her future expectations are to be informed about various marketing activities (news, discounts and other marketing offers) related to purchased or procured services or goods. In case of non-consent, the data subject will not be provided with news, discounts or other marketing offers and at the same time, he / she will not be provided with services or goods procured.
